The Post-Graduate Medical School of the New York University School of Medicine is committed to improving patient care through continuing medical education.

Purpose Statement

There are many recent technological advances in imaging techniques which can be applied in current clinical practice. Maintenance of certification requires continued review of essential imaging techniques in all areas of radiology, including musculoskeletal and neuro-imaging.

Target Audience

This course is designed for practical clinical radiologists.

Description

This course will review and update a wide spectrum of MR applications in neuro-imaging and musculoskeletal imaging. Presentations will include recent developments (diffusion imaging, perfusion imaging, spectroscopy); clinical topics will include stroke, brain tumors, spine imaging. On the musculoskeletal side, this course will highlight current advances in various areas such as the hip, hand, wrist, ankle and knee.

Educational Objectives

At the conclusion of the workshop, participants should be able to:

- Summarize the appropriate uses of MRI in evaluating the central nervous system and MSK systems
- Outline the current status of neuro-imaging
- Demonstrate the various MR techniques in the diagnosis of diseases of the spine and brain
- Recognize the patterns of degenerative and non-degenerative spinal diseases
- Classify the types of disorders causing hip and elbow pain
- Recognize and avoid common pitfalls that arise in standard imaging protocols

Accreditation Statement

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The NYU Post-Graduate Medical School designates this educational activity for a maximum of 20 Category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours that he/she spent in the activity.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME Standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off-label or investigational use of any drug, device, or procedure by the faculty will be made known at the symposium.

Registration Fees

The course tuition fees are \$850; \$495 for NYU alumni, residents/fellows, retirees and non-U.S. physicians including Canada, Europe, military, V.A. employees.

Registration

On-line registration is the fastest and easiest way to register. Go to www.radcme.med.nyu.edu (and click on conferences). Be sure and include your email address to receive a confirmation/receipt via email.

In Case of Questions

Call Michelle Koplik, Program Coordinator, at (212) 263-3936 or

Janice Ford-Benner, Director of Education, at (212) 263-3923.

Cancellation Information

Written cancellation must be received at least 30 days in advance; a \$75 service will apply. If you have a need to cancel less than 30 days in advance, a \$150 service fee will apply.

Special Needs

The Post-Graduate Medical School of the New York University School of Medicine, in compliance with the legal requirements of the Americans with Disabilities Act, requests that any participant of this CME course who is in need of accommodations to submit written requests to our office at least one month prior to the course start date.

Dietary Restrictions

Please indicate any dietary restrictions on the registration form.

Special Topics/Questions

If there is a special topic or question that would help fulfill your educational needs, please submit it on the registration form.

on the Italian Lakes

Location Information

Grand Hotel Dino Lake Maggiore, Baveno, Italy July 31–August 6, 2005

Hotel and Air Travel Arrangements

Travel Planners, Inc. (TPI) is the appointed Travel Coordinator. Registration for the conference will be handled through NYU Radiology Department.

Lake Maggiore

...second largest of the Italian lakes, is located in Northeast Piedmont, on the borders of Lombardy and Switzerland. Close to the Alps, it fills a valley stretching from Magadino to Sesto Calende. A mild climate and excellent hotels of longstanding tradition make Lake Maggiore a favorite tourist center and, undoubtedly, one of the most welcoming areas in the lake region. The Borromean islands of Isola Bella, Isola Pescatori and Isola Madre are a picturesque little archipelago and one of the most scenic sites in the area.

Baveno

...is situated in both a lakeside and mountain setting, facing the Borromean Islands. It is characterized by outstanding examples of architecture, noteworthy antiquities dating to the 5th century, and 19th century villas.

The Grand Hotel Dino

...a deluxe Four Star resort is located directly on the lake side. It offers peace and relaxation with the grandeur of panoramic views of Lake Maggiore, the Borromean islands, and the distant Alps. Hotel amenities include 2 restaurants, a piano bar, a discothèque, indoor and outdoor swimming pools, tennis, squash, bowling, gymnasium, sauna, Turkish bath, solarium, hydromassage, private parking. In addition, enjoy sailing, windsurfing, water-skiing, horseback riding, and golf in the area. Room amenities include: air conditioning, private balconies, hairdryers, 2 telephones with modem, radio, satellite TV, and mini-bar.

Package Inclusions (per person)

- **6 Nights Deluxe Accommodations at the Grand Hotel Dino** (Sunday, July 31 to Saturday, August 6)
- **Buffet Breakfast** daily
- **Welcome Reception** on Monday, August 1
- **Borromean Islands and Garden Tour** on Monday, August 1, 2:00 to 6:00pm. Depart by private boat for the short ride across the lake to Isola Bella, considered the most celebrated of the Islands. Isola Bella was a barren rock until the 17th century, when Count Carlo III Borromeo decided to make it a garden for his wife Isabella (hence the name). The gardens abound with statuary, fountains and the famous white peacocks. Isola Bella also boasts a small but refined palace with an interesting art collection and an 18th century marionette theater. On to delightful Isola Madre, with its luxuriant botanical garden, followed by a visit to colorful Fishermen Island (Isola Pescatori). Time to explore its narrow streets, shops and pleasant cafes. Includes: Transportation via private boat, tour of the palace & gardens, all entrance fees, and tour escort.
- **Full Day Scenic Tour** on Wednesday, August 3, 8:45 am–6:00pm. Today will include a 2 hour scenic ride on the “Centovalli Train”, crossing the Vigizzo and other picturesque valleys. Stops will be made in the enchanting villages of Domodossola, Santa Maria Maggiore and Locarno, Switzerland (passports required). Free time for shopping and lunch on your own. Return from Locarno to Baveno via deluxe motor coach. Includes: Transportation, train tickets, tour escort.
- Travel Representatives in attendance.
- All applicable taxes, service charges and gratuities on included arrangements.

Price Per Person

Two Adults Sharing a Room	US \$1800.00
Single Occupancy	\$2525.00
Triple Occupancy	\$1550.00
Child Under 12	\$650.00

Above rates are per person. Maximum of three persons per room. Prices quoted are in U.S. dollars, based on the rate of exchange at press time, subject to adjustment should a major currency fluctuation occur.
