

“Rete Vivan” Addresses Prostate Cancer in Haitians

- Script Development: translated from Survivor script, and then reviewed by staff of the Flatbush Haitian Center, a CANIMP Partner, selected leaders within the NYC Haitian community, and a Gastroenterologist at the NYU Medical Center.
- Video Screenings: CANIMP health education seminars and workshops.

Advisors to the Project: Flatbush Haitian Center; Evelyn Longchamp, New York State Center for Sudden Infant Death; CANIMP Haitian Steering Committee

Special Thanks to: P's Barbershop, New York University Medical Center, New York University Public Affairs, Bellevue Hospital Center, NYU Cancer Institute, Fritz François, MD, and Joseph Divers
