

"Survivor" Addresses Prostate Cancer in English-Speaking Caribbeans

- Script Development: The Script was written by CANIMP interns and staff, was then reviewed by CANIMP CBO partners, Caribbean Women's Health Association and Diversified Community Health Services.
- Video Screenings: CANIMP health education seminars and workshops.

*Developed and produced in 2001
by CANIMP interns, Andrew
Yakovlev and Valerie Vaval.
Advisors for the Project:
Diversified Community Health
Services, Caribbean Women's
Health Association, Us Too!,
Damion Douglas, Dr. Brian Stone,
Cancer Information Service, and
Caribbean community leaders.*
