COURSE DESCRIPTION  Cardiovascular disease remains the number one killer worldwide in both men and women. Over the last several decades tremendous strides have been made in the treatment of complex cardiovascular disease. This full day course will aim to offer the latest updates on adult congenital heart disease, pulmonary hypertension and advanced heart failure. The treatment management options to be discussed in detail are: transplantation, (LVAD) Left Ventricle Assistant Devices, coronary revascularization, electrophysiology, intervention options and collaboration between physicians and when to intervene on patients who suffer from (ACHD) adult congenital heart disease, and treatments for pulmonary hypertension. Each sub-division will end with case discussion panels which will allow attendees to provide their thoughts and answer questions. A didactic learning method combined with case based discussions are meant to support practitioners’ efforts to remain up to speed with new and emerging technologies and management strategies needed to care for these patients. Many patients are living in the community with novel therapeutics and newly defined disease courses. The goal of this course is to provide clinicians with the education to care for these complicated patients and improve patient outcomes.

TARGET AUDIENCE  Internists, cardiologists, nurses, nurse practitioners, and any clinician who cares for or encounters individuals with advanced cardiovascular disease (adult congenital heart disease, advanced heart failure, pulmonary hypertension).

ACCREDITATION STATEMENT  The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT  The NYU Post-Graduate Medical School designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SYLLABUS  In an effort to be more environmentally conscious, we will distribute syllabus materials electronically. You will receive an email with a link one week prior to the course to view, download, or print the course materials. During the course you will also have the option to view the course materials from your smartphone, tablet or laptop by using the link. These materials will remain available for one year following the course.

Update in ADVANCED CARDIOVASCULAR DISEASE  Provided by NYU Post-Graduate Medical School

FRIDAY, APRIL 21, 2017

COURSE DIRECTOR  Alex Reyentovich, MD

COURSE PLANNERS  Dan G. Halpern, MD  Stuart Katz, MD  Shaline Rao, MD

GUEST LECTURER  Michael J. Landzberg, MD  Associate Professor of Medicine (Cardiology)  Harvard Medical School  Director, Boston Adult Congenital Heart Group (BACH)  Boston Children’s Hospital  Boston, MA

LOCATION  NYU Langone Medical Center  550 First Avenue  Alumni Hall Classroom B  New York, NY 10016

med.nyu.edu/cme/advanced_cardiology
AGENDA

ADVANCED CARDIOVASCULAR DISEASE

8:00 am  Registration & Continental Breakfast

8:25  Opening Remarks
Alex Reyentovich, MD

Advanced Heart Failure
Moderator: Shaline Rao, MD

8:30  Putting Novel Therapeutics for Heart Failure into Practice
Stuart Katz, MD

9:00  Advanced Heart Failure in 2017 — Transplant and LVAD
Alex Reyentovich, MD

9:30  Coronary Revascularization in Systolic Heart Failure
Sripal Bangalore, MD, MHA

10:00  Treatment of Valve Disease in Advanced Failure
Mathew Williams, MD

10:30  Coffee Break

10:45  Electrophysiology in Advanced Heart Failure
Larry Chinitz, MD

11:15  Cases: Panel Discussion

Adult Congenital Heart Disease (ACHD)
Moderator: Dan G. Halpern, MD

11:40  Collaborating Care Between the General Cardiologist and the ACHD provider
Dan G. Halpern, MD

12:05 pm  Electrophysiology (EP) in ACHD—When to Perform an EP Study and When to Ablate?
Frank Cicchin, MD

12:30  Lunch Break (on your own)

1:30  Caring for the Pregnant Patient
Catherine Weinberg, MD

1:55  Residual Defects in ACHD Patients — To Intervene or Not Intervene?
Michael J. Landzberg, MD

2:20  Cases: Panel Discussion

Pulmonary Hypertension
Moderator: Dan G. Halpern, MD

2:50  Management of Pulmonary Arterial Hypertension in 2017
Roxana Sotica, MD

3:20  Non Pulmonary Arterial Hypertension Pulmonary Hypertension—Treat or Not to Treat?
Alex Reyentovich, MD

3:45  Coffee Break

4:00  Management of Advance Pulmonary Hypertension/Right Ventricle Failure from ICU to Transplant and Everything in Between
Michael J. Landzberg, MD

4:30  Cases: Panel Discussion

5:00 pm  Adjourn

Register online at: med.nyu.edu/cme/advanced_cardiology

REFUND POLICY
In order to request a refund, you must email maria.mercado@nyumc.org no later than 14 days prior to the first day of the course. An administrative fee of $75 will be deducted from your refund. Cancellations or no-shows after this date are not eligible for a refund.

COURSE CANCELLATION POLICY
If a course is cancelled due to inclement weather, insufficient enrollment, or any other reason, NYU PGMS will refund registration fees in full. NYU PGMS will provide at least two weeks’ advance notice if canceling due to insufficient enrollment and as soon as possible in all other circumstances. NYU PGMS is not responsible for any airfare, hotel, or other non-cancellable costs incurred by the registrant.

COURSE FEES
Full: $175
Reduced*: $100
NYU Langone /Lutheran Faculty and Staff**: $75
NYU Langone /Lutheran Dept. of Cardiology Faculty and Staff**: Waived
NYU Langone /Lutheran Residents and Fellows**: Waived

* Reduced fee applies to NYU School of Medicine alumni, former residents and fellows; physician-in-training physicians employed by the Department of Veterans Affairs Medical Center; full-time active military personnel; retired physicians; and all other non-physician healthcare professionals.

** Must provide valid NYU Langone /Lutheran ID
