

Department of  
Obstetrics and Gynecology

# Reproductive Endocrinology & Infertility Fellowship

**NYU Langone's Department of Obstetrics and Gynecology offers a three-year fellowship in reproductive endocrinology and infertility. Launched in 2001, the training program, offered through the Division of Reproductive Endocrinology and Infertility, is accredited by the Accreditation Council for Graduate Medical Education. It leads to certification in reproductive endocrinology and infertility by ABOG.**

# Meet Our Current Fellows

## Carlos Parra, MD

First-Year Fellow, Class of 2026

**Hometown:** Miami, Florida

**Medical school:** University of Miami Miller School of Medicine

**Areas of interest:** Fertility Preservation, Access to Fertility Care, Innovation in Assisted Reproductive Technology

**Hobbies:** Exploring new cities/countries, trying foreign cuisines, dancing, exercising, rollerblading

**Why I chose NYU Langone:** The extraordinary community and outstanding training experience in a high-volume, patient-centered, and research-focused practice learning from inspiring and supportive mentors who are leaders in the field of human reproduction.

## Amelia Kelly, MD

Second-Year Fellow, Class of 2025

**Hometown:** Denver, Colorado

**Medical school:** Weill Cornell Medical College

**Areas of interest:** Fertility Preservation, Improving Access to Care, Oncofertility, and Family Building Among Physicians

**Hobbies:** skiing, hiking, traveling, trying new foods, exploring NYC, and spending time with my lab puppy

**Why I chose NYU Langone:** The amazing community, the high-volume urban environment, the outstanding lab, and the strong academic and research opportunities.

## Emily Weidenbaum, MD

Second-Year Fellow, Class of 2025

**Hometown:** Rockland County, New York

**Medical school:** Columbia Vagelos College of Physicians and Surgeons

**Areas of interest:** Fertility Preservation, Pediatric Endocrinology, and Assisted Reproductive Techniques

**Hobbies:** exploring NYC with my 2 toddlers, morning runs on the East River, pilates, trying new restaurants

**Why I chose NYU Langone:** The high clinical volume along with excellent mentorship and research opportunities, and the community dedicated to patient-centered care.

## Meet Our Current Fellows

### **Nirali S. Jain, MD**

Third-Year Fellow, Class of 2024

**Hometown:** Edison, New Jersey

**Medical school:** Northwestern University Feinberg School of Medicine

**Areas of interest:** Oncofertility and Fertility Preservation

**Hobbies:** In my free time, I enjoy traveling with my family. My husband and I love hiking and any activity we can do wearing comfy workout clothes. My 2-year-old son and 1-year-old daughter's version of traveling involve exploring the NYC subway system.

**Why I chose NYU Langone:** The outstanding faculty mentorship and research opportunities in combination with the busy clinical volume made this program the perfect fit for me.

# REI Fellowship Alumni

**Jennifer K. Blakemore, MD**

**Shannon M. DeVore, MD**

**Sarah Druckenmiller Cascante, MD, FACOG**

**Eric Flisser, MD**

**Kara J. Goldman, MD**

**Brooke Hodes-Wertz, MD, MPH**

**Debra A. Keegan, MD**

**Jamie Knopman, MD**

**Jason Kofinas, MD**

**Alexis Masbou, MD**

**Susan M. Maxwell, MD**

**Christine M. Mullin, MD**

**Andrea E. Reh, MD**

**Kate Mezler Ross, MD**

**Nidhee M. Sachdev, MD**

**Jacquelyn M. Shaw, MD**

**Sheeva Talebian, MD**

**John Zhang, MD**
