

Postgraduate Year 4 Residents

Nicholas Apping, MD Chief Resident

Undergraduate school: City College of New York

Medical school: CUNY School of Medicine

Clinical and research interests: public psychiatry, addiction psychiatry, health policy, and health disparities

Donald (Dominic) Dawkins, MD

Undergraduate school: Massachusetts Institute of Technology

Medical school: UCSD School of Medicine

Clinical and research interests: young adult psychiatry and psychotherapy

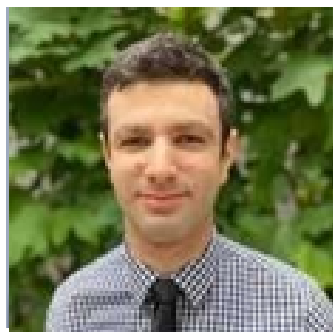

Kevin Gutierrez, MD

Undergraduate school: Ohio State University

Graduate school: Columbia University (MS in narrative medicine)

Medical school: Thomas Jefferson University

Clinical and research interests: critical race theory, narrative medicine, and psychotherapy

Simon Khuvis, MD, PhD

Research Career Accelerated Track

Undergraduate school: Cooper Union

Graduate school: Zucker School of Medicine at Hofstra/Northwell (PhD in molecular medicine)

Medical school: Zucker School of Medicine at Hofstra/Northwell

Clinical and research interests: invasive prosthetics for neuropsychiatric disorders

Postgraduate Year 4 Residents

Katrina Kostro, MD
Chief Resident

Undergraduate school: Barnard College

Medical school: Columbia University Vagelos College of Physicians and Surgeons

Clinical and research interests: child and adolescent Psychiatry, psychotherapy, and mindfulness-based interventions

David Liebers, MD
Chief Resident

Undergraduate school: University of Rochester

Graduate schools: Harvard Kennedy School (MPP), University of Cambridge (MPhil)

Medical school: Harvard Medical School

Clinical and research interests: mood disorders, clinical research, and public policy

Michael Lubin, MD

Undergraduate school: Brown University

Medical school: Columbia University Vagelos College of Physicians and Surgeons

Clinical and research interests: psychotherapy, psychodynamics, and personality organization

Adaora Ofomata, MD

Undergraduate school: University of Texas at Austin

Medical school: University of Texas Health Science Center at San Antonio

Clinical and research interests: public psychiatry, reproductive psychiatry, and adolescent and young adult psychiatry

Postgraduate Year 4 Residents

John Wang,MD
Chief Resident

Undergraduate school: Washington University in St. Louis

Medical school: NYU Grossman School of Medicine

Clinical and research interests: addiction psychiatry and immigrant health

Postgraduate Year 3 Residents

Nicole Anzai, MD

Child and Adolescent Research Track

Undergraduate school: Santa Clara University

Medical school: Iohn A. Burns School of Medicine at the University of Hawaii

Clinical and research interests: child and adolescent psychiatry, vaping prevention, tobacco cessation, and eating disorders

Naomi Assaf, MD

Undergraduate school: Brandeis University

Medical school: Albany Medical College

Clinical and research interests: mood disorders, personality disorders, adverse childhood experiences, and eating disorders

Thomas Hainmueller, MD, PhD

Research Career Accelerated Track

Undergraduate school: University of Freiburg

Graduate school: University of Freiburg (PhD in biology)

Medical school: University of Freiburg

Clinical and research interests: depression, memory, and hippocampal function

Gerald Jones, MD

Undergraduate school: Morehouse College

Graduate school: Meharry Medical College (MHS)

Medical school: Meharry Medical College

Clinical and research interests: emergency psychiatry, forensic psychiatry, and child and adolescent psychiatry

Postgraduate Year 3 Residents

Max Kitaj, MD

Undergraduate school: University of California, Santa Barbara

Medical school: Brown University

Clinical and research interests: community recovery and veteran care

Hager Koraym, MD

Undergraduate school: Georgetown University

Graduate school: Georgetown University(MSc)

Medical school: Georgetown University

Clinical and research interests: consult-liaison psychiatry, psychoanalysis, addiction psychiatry, and emergency psychiatry

Kristyn Lao, MD

Undergraduate school: Syracuse University

Medical school: Rutgers New Jersey Medical School

Clinical and research interests: reproductive psychiatry, child and adolescent psychiatry, and psychotherapy

Patricia Mathelier, MD

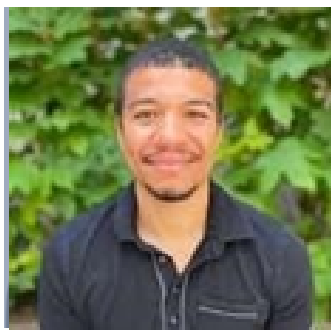

Undergraduate school: Harvard University

Graduate school: UCLAAnderson School of Management (MBA)

Medical school: David Geffen School of Medicineat UCLA, CharlesDrewMedical Education Program

Clinical and research interests: child and adolescent psychiatry, autism spectrum disorders, and digital health and innovation

Postgraduate Year 3 Residents

Justin Morales, MD

Undergraduate school: Southern Methodist University

Medical school: Howard University College of Medicine

Clinical and research interests: addiction psychiatry, emergency psychiatry, psychedelics and interventional medicine, psychotherapy, and global psychiatry

Rachel Percelay, MD

Undergraduate school: Middlebury College

Medical school: UCSF School of Medicine

Clinical and research interests: LGBTQ+ psychiatry, addiction psychiatry, and psychedelics

Stephanie Pottinger, MD

Undergraduate school: Brown University

Medical school: Pritzker School of Medicine at University of Chicago

Clinical and research interests: reproductive psychiatry, substance use disorders in pregnancy, community and public psychiatry, and health policy

Aydar Shaildayev, MD

Undergraduate school: Boston University

Medical school: Albert Einstein College of Medicine

Clinical and research interests: psychotherapy, neuromodulation, forensics, and possibly child and adolescent psychiatry

Postgraduate Year 3 Residents

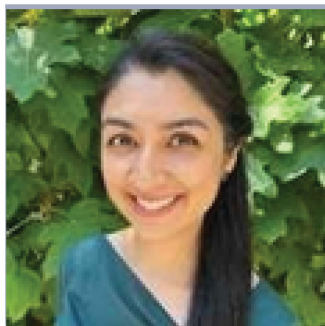

Michael Smith, MD

Undergraduate school: Howard University

Medical school: Howard University College of Medicine

Clinical and research interests: child and adolescent psychiatry, and psychedelics

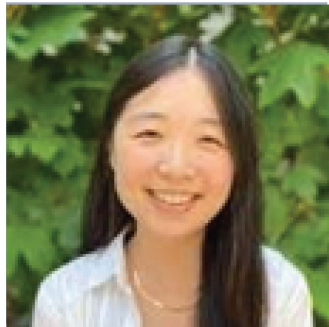

Avneet Soin, MD

Undergraduate school: Tufts University

Medical school: Tufts University School of Medicine

Clinical and research interests: integrated care models, consult-liaison psychiatry, neuropsychiatry, and narrative medicine

Emily Zhang, MD

Undergraduate school: University of California, Berkeley

Medical school: NYU Grossman School of Medicine

Clinical and research interests: AAPI mental health and integrated care

Postgraduate Year 2 Residents

Duwa Alebdy, MD

Undergraduate school: NMacaulay Honors at Hunter College

Graduate school: Loyola University Parkinson School of Health Sciences and Public Health (MPH)

Medical school: Loyola University Chicago Stritch School of Medicine

Clinical and research interests: public psychiatry, forensic psychiatry, health policy, and health disparities

David Arbit, MD

Undergraduate school: Rutgers University

Medical school: NYU Grossman School of Medicine

Clinical and research interests: psychotherapy, medical education, health equity research, and psychedelic medicine

Sherifa Baldeo, MD

Undergraduate school: Macaulay Honors College at Hunter College

Medical school: Albert Einstein College of Medicine

Clinical and research interests: child and adolescent psychiatry, forensic psychiatry, public psychiatry, and DBT

Brennan Carrithers, MD

Undergraduate school: Georgetown College

Graduate schools: Georgetown University (MSc in integrative medicine), University of Louisville (MBA)

Medical school: University of Louisville

Clinical and research interests: psychedelic medicine, neuropsychiatry, mind-body medicine, biotechnology, and addiction psychiatry

Postgraduate Year 2 Residents

Tifianny Chan, MD

Undergraduate school: Johns Hopkins University

Medical school: Boston University School of Medicine

Clinical and research interests: forensic psychiatry, psychotherapy, and narrative medicine

Gabriel Davis, MD

Undergraduate school: Washington University in St. Louis

College: SUNY Downstate College of Medicine

Clinical and research interests: psychotherapy, public psychiatry, and narrative medicine

Sarah Keltz, MD

Undergraduate school: Harvard University

Medical school: NYU Grossman School of Medicine

Clinical and research interests: psychotherapy, mindfulness, and child and adolescent psychiatry

Chetan Khanna, MD

Undergraduate school: University of Pennsylvania

Medical school: SUNY Downstate College of Medicine

Clinical and research interests: psychotherapy, trauma, child and adolescent psychiatry, psychedelics, and mindfulness

Postgraduate Year 2 Residents

Hope Kronman, MD, PhD

Research Career Accelerated Track

Undergraduate school: Yale University

Graduate school: Mount Sinai School of Medicine (PhD in neuroscience)

Medical school: Mount Sinai School of Medicine

Clinical and research interests: psychedelic psychotherapy and epigenetics of plant medicine

Daniel Laor, MD

Undergraduate school: Mannes College of Music

Medical school: SUNY Downstate College of Medicine

Clinical and research interests: child and adolescent psychiatry, psychotherapy, and medical education

Randall Li, MD

Undergraduate school: NYU

Medical school: Brown University

Clinical and research interests: palliative care, and child and adolescent psychiatry

Christine Nuñez, MD

Undergraduate school: Duke University

Medical school: University of Miami

Clinical and research interests: child and adolescent psychiatry, public psychiatry, and physician wellness

Postgraduate Year 2 Residents

Desirée Pizarro, MD

Child and Adolescent Research Track

Undergraduate school: Cornell University

Graduate school: SUNY Upstate Medical University (MPH)

Medical school: SUNY Upstate Medical University

Clinical and research interests: autism spectrum disorder, child and adolescent psychiatry, and community-based participatory research

Christopher Southard, MD

Undergraduate school: St. Olaf College

Medical school: Columbia University Vagelos College of Physicians and Surgeons

Clinical and research interests: addiction psychiatry, computational psychiatry, psychotherapy, medical education, and narrative medicine

Benjamin Trnka, MD

Undergraduate school: University of Chicago

Graduate school: Peking University in Beijing, China (MPhil)

Medical school: University of Washington School of Medicine

Clinical and research interests: cultural psychiatry, psychiatric history and philosophy, consult- liaison psychiatry, and neuropsychiatry

Kelly Yang, MD

Undergraduate school: Cornell University

Graduate school: Albert Einstein College of Medicine (MSc in clinical research methods)

Medical school: Albert Einstein College of Medicine

Clinical and research interests: child and adolescent psychiatry, consult-liaison psychiatry, psychotherapy, AAPI mental health, and health equity research

Postgraduate Year 1 Residents

Ryan Carson, MD

Undergraduate: University of Denver

Graduate School: University of Chicago (MPP)

Medical School: Columbia University Vagelos College of Physicians and Surgeons

Clinical and Research Interest: public psychiatry, global mental health, child and adolescent psychiatry, and health policy

Rachel Cohen, MD

Undergraduate : University College London

Medical School: NYU Grossman School of Medicine

Clinical and Research Interest: psychoanalysis and personality disorders

Emma Craige, MD

Undergraduate: College of William & Mary

Medical school: University of Virginia School of Medicine

Clinical and Research Interest: neuromodulation, psychedelics, psychoanalysis, and personality disorders

George Danias, MD

Undergraduate: Cornell University

Medical school: Icahn School of Medicine at Mount Sinai

Clinical and Research Interest: addiction psychiatry, psychedelic medicine, and community psychiatry (ACT/IMT)

Postgraduate Year 1 Residents

Arley Giraldo, MD

Undergraduate: University of Virginia

Medical school: Rutgers New Jersey medical school

Clinical and Research Interest: improving mental health engagement and outcomes among minority patients experiencing socioeconomic vulnerability and racial/ethnic disparities in treatment of substance use disorders

Brian Hurwitz, MD, PhD

Undergraduate: The Ohio State University

Graduate school: Rockefeller University (PhD)

Medical school: Weill Cornell Medical College

Clinical and Research Interests: metabolic diseases and psychiatric illnesses

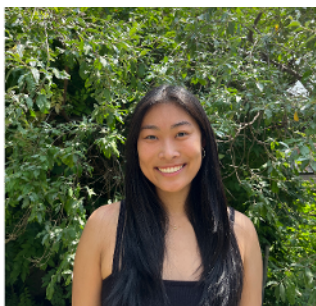

Gurkamal Kaur, MD

Undergraduate: Stony Brook University

Medical School: New York Medical College

Clinical and Research Interest: public psychiatry, psychotherapy, women's health, psychedelic medicine, and neuromodulation

Jenny Lin, MD

Undergraduate: Washington University in St. Louis

Medical School: Weill Cornell Medicine

Clinical and Research Interest: women's mental health

Postgraduate Year 1 Residents

Patrick Lundy, MD

Undergraduate: La Salle University

Medical School: Rutgers New Jersey Medical School

Clinical and Research Interest: community and Public psychiatry, forensic psychiatry, psychotherapy and health equity

Tiffany Martin, MD

Undergraduate: New York University

Medical school: NYU Grossman School of Medicine

Clinical and Research Interest: addiction psychiatry, palliative care, forensic psychiatry, harm reduction and juvenile justice

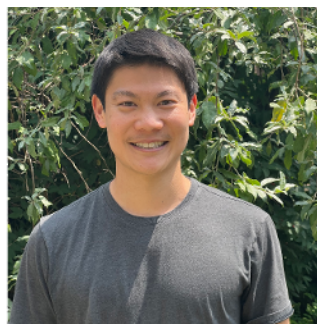

Matthew (Mateo) Moronta, MD

Undergraduate: University of Pennsylvania

Medical School: Weill Cornell Medicine

Clinical and Research Interest: psychotherapy, queer mental health, and psychedelic medicine

Nathan Nakatsuka, MD, PhD

Undergraduate : Harvard College

Graduate School: University of Cambridge, MPhil; Harvard Graduate School of Arts and Sciences (PhD)of Medical school

Medical school: Harvard Medical School

Clinical and Research Interest: addiction, single-cell approaches to studying substance use disorders and neuropsychiatric diseases.

Postgraduate Year 1 Residents

Shani Pennant, MD

Undergraduate: Ohio State University

Graduate school: University of Central Florida

Medical school: University of Central Florida

Clinical and Research Interest: children and adolescent psychiatry and women's health

Alexandra (Ali) Schulz, MD

Undergraduate: Barnard College

Graduate school: Columbia University (MS Bioethics)

Medical school: New York Medical College

Clinical and research interest: psychedelic medicine, emergency psychiatry and outpatient psychiatry

Olivia Silva, MD

Undergraduate: McGill University

Medical school: George Washington University

Clinical and Research Interest: consult-liaison psychiatry, palliative medicine, and ethics

Natalie Stern, MD

Undergraduate: Northwestern University

Medical school: University of Pittsburgh School of Medicine

Clinical and research interests: child and adolescent psychiatry, positive psychology interventions, mindfulness and self-compassion, and eating disorders.

Neurology and Psychiatry Double Board Residents

Gabriel Ben-Dor, MD

Undergraduate school: Stanford University

Medical school: NSU Grossman School of Medicine

Clinical and research interests: functional/conversion and somatic disorders

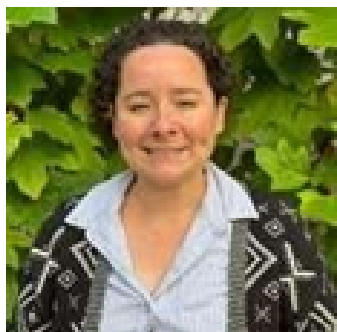

Victor Demetrio, DO

Undergraduate school: University of Central Florida

Medical school: Liberty University College of Osteopathic Medicine

Clinical and research interests: psychedelics, functional neurologic disorders, epilepsy, neuromodulation, and mindfulness

Anlys Olivera, MD, PhD

Undergraduate school: Florida State University

Graduate school: Emory University (PhD in neuroscience)

Medical school: NYU Grossman School of Medicine

Clinical and research interests: neuroimmunology and autoimmune encephalitis

Jordan Intrator, MD

Undergraduate school: Macaulay Honors College at Hunter College

Medical School: Hackensack Meridian School of Medicine

Clinical and Research Interest: List hometown city and state here

Interests: neuromodulation, movement disorders, forensic psychiatry, neurodevelopmental disorders and medical education

Neurology and Psychiatry Double Board Resident

David Zheng, MD

Undergraduate school: Princeton University

Graduate school: Manhattan School of Music (MM in jazz piano performance)

Medical school: Perelman School of Medicine at the University of Pennsylvania

Clinical and research interests: forensic neuropsychiatry and neuromodulation
