Depression
PSA - 3rd Year
Winter- Spring 2014
2nd -3rd Trimester
10:00 AM- 11:30 AM (weeks 1-5)
8:30 AM- 10:00 AM (Weeks 6-10)

Barry Rand, M.D.
Robert Calcaterra, M.D.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American Psychoanalytic Association and the Institute for Psychoanalytic Education. The American Psychoanalytic Association is accredited by the ACCME to provide continuing medical education for physicians.

The American Psychoanalytic Association designates this Live Activity for a maximum of 1 AMA PRA Category 1 Credit™ per hour of instruction. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Important Disclosure Information For All Learners:

Objectives
In this course we will address questions about Depression arising from Freud’s “Mourning and Melancholia” relating to drives, affects, psychic structures, objects relations and self states, using a variety of theoretical perspectives, while considering the impact of psychological development on this affect state. We will apply this theory to an understanding of shame, masochism, and suicidal states, before concluding with an attempt at consolidation of the theories of Depression.
