Rotation-Specific House Staff Evaluation**

Resident:

Training Year:

Date:

Rotation:

Block:

!!!Please note the new evaluation scale!!!

With respect to Expectations:

(Far Exceeds – 1) (Exceeds – 2) (Meets – 3) (Marginal – 4) (Below – 5)

Fails Element (FAIL); Not Applicable (NA); No Opinion (NO)

v1.1 04.26.06

ABDOMINAL IMAGING

3rd Year, 3rd Ultrasound Rotation

Suggested Reading: Requisites, Rumack, selected review articles (see Dr. Bennett)

Point Person: Genevieve Bennett , M.D..

Location: Tisch Hospital

Knowledge Based Objective:

1. Able to identify normal anatomy and state the indications for examination of the abdomen, female and male pelvis, thyroid, scrotum.
2. Able to discuss the ultrasound features of the most common diseases involving the liver (native and transplants), gallbladder, kidney (native and transplants), spleen, pancreas (native and transplants), uterus, ovaries, bladder, prostate, thyroid, testicle/scrotal content, lower extremity veins
3. Able to correlate ultrasound findings with other related imaging modalities.

Technical Skills:

1. Able to perform a complete abdominal ultrasound

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

2. Able to perform thyroid ultrasound

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

3. Capable of guiding ultrasound-guided thoracentesis and paracentesis.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

4. Able to perform ultrasound evaluation of the RLQ to exclude appendicitis.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

5. Able to perform complete ultrasound evaluation of early pregnancy including possible ectopic pregnancy and be able to evaluate advanced gestations for placental location, fetal lie, cervix, fetal heartbeat (M-mode), amniotic fluid, gestational age and essential fetal anatomy.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

6. Able to perform complete ultrasound evaluation of liver/renal/ pancreas transplant and recognize complications.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

7. Able to assist sonographers with difficult or problematic cases.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

Ultrasound specific NonDiagnostic Skills:

1. Assists ultrasonographers with scanning and medical questions in a timely and professional manner.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

2. Interprets and pre-dictates all studies in which was directly involved.

1 2 3 4 5 FAIL NA NO
FarEx Meets Below

3. Attends noon teaching conference and Wednesday morning weekly ultrasound conference.

1 2 3 4 5 FAIL NA NO
